- Cheque  
 Visa     MasterCard

Credit Card Number	Expiry Date (MM/YY)	Signature of Cardholder <b>X</b>
--------------------	---------------------	-------------------------------------

**E. Declaration** (to be completed by Plan Administrator)

I certify that consent has been obtained from the Plan Member and declare the statements made herein are true and complete. For the purposes of administering any Group Medical Services ("GMS") benefits, products or services (collectively "benefits") and/or determining eligibility for benefits, I authorize GMS to: (a) collect, store and use any personal information which I have provided to GMS or personal information obtained pursuant to clause (b); and/or (b) obtain personal information about me (or any other person listed herein) from, or disclose such personal information to: my plan sponsor, Government Health Insurance Plan; the operator of any hospital, clinic, or other health facility; a doctor or other health care provider; any insurance company; or any other service provider or third party as may be reasonably required for the purposes described above.

Eligibility for Cost Plus Benefits is determined by the Group Policyholder, therefore it is the Group Policyholder's responsibility to verify Employee and Dependent eligibility prior to claim submissions, to ensure cost plus claims are Eligible Medical Expenses under the Income Tax Act and that cost plus claims have not been previously reimbursed or submitted as deductible expenses. Employers, group policyholders and individuals are strongly advised to consult their tax advisor before submitting claims through Cost Plus as Cost Plus may not be a tax-effective strategy as not all medical procedures are non-taxable benefits.

Approved by: (Signature of Plan Administrator) <b>X</b>	Date (DD/MM/YYYY)
